Dear Mr. Cohen,

Please accept my compliments for the supportive role you and your Department played during JFK Medical Center's annual disaster drill on July 11, 2008. As you all know this was my first Disaster Drill since assuming the role of Safety Officer at JFK Medical Center and I cannot begin to tell you how impressed I was by the level of professionalism and efficiency demonstrated by all of the participants.

I am certain that we will be able to plan many more successful events together in the future.

Thank you for giving your time.

Sincerely,
