Dear Management:

On behalf of Seagull Academy for Independent Living (SAIL), a charter school of Seagull Industries for the Disabled, thank you for your donation of your ambulance to our Seagull Academy event, Touch A Truck. With ambulatory services, we realize that time is money, and your donation of the ambulance for the entire 4 hours of the event is greatly appreciated. Your support truly means a great deal to our students at Seagull Academy, and we appreciate your generosity.

Touch A Truck, our biggest event of the year benefiting Seagull Academy, was made possible in part by your participation and other community protection services such as the Sheriff's Department and Fire Rescue. Touch A Truck will raise money to fund the upcoming prom event at Ellie's Diner on May 8<sup>th</sup> and any other student activities for the 2008-2009 school year.

No services or goods were provided in exchange for or in connection with this donation. You can keep this letter as a written proof of your donation for your tax records.

Please visit us online at [www.seagull.org](http://www.seagull.org) for updates, events, and volunteer opportunities. Once again, we thank you for your support.

Sincerely,

Marty Hester

Dear Andrew,

Thank you so much for coming to our North Broward/ Boca Raton Great Strides walk on May 17<sup>th</sup>! We sincerely appreciate your efforts and the time that you put into the event. Without Medics Ambulance Service having been at the event from start to finish we would not have been able to go forward with the walk. You all are *much* appreciated!

The walk was wonderful and everyone had a great time. I am happy to tell you we raised over \$105,000- with more to come. That's a tremendous accomplishment, one that would not have been possible without your help and generosity. Please know how very appreciative we are of your support. You have embraced this cause and helped make the walks a memorable day for all the participants.

I hope this year brings continued hope to all those living with cystic fibrosis. You have helped to make their future much brighter. We will be successful in our mission to find a cure for CF because we have caring people like you behind our passionate fight.

I look forward to working with you all again and celebrating with you on the day that CF stands for cure found. I know I speak for every child, parent, grandparent and friend whose life is touched by this disease when I say... thank you.

Warmest regards,

Andrew Felix  
Director of Special Events

Dear Medics Ambulance Service:

On behalf of Special Olympics Palm Beach County, I would like to thank you for your donation in providing stand-by medical service from 10:00am to 2:00pm on March 5, 2009 at John I. Leonard High School for our County Summer Games.

The mission of Special Olympics Palm Beach County is to provide athletic training and sports competition for children and adults with intellectual disabilities. Through your donation of time and service to Special Olympics Palm Beach County you have assisted us in reaching our mission.

Please thank Mike W. and Reina M. for assisting that day and for providing this much needed service for more than 350 Special Olympic athletes that day. Knowing that Medics Ambulance Service was on site, it eased our minds in case of any incidents or accidents occurred they would be handled professionally and in a timely manner. During these difficult economic times, we rely much more on our friends to continue their efforts. You have been a true friend to Special Olympics.

Sincerely,

Rich Fleming
